Metering Day
More
Energy
Collaboration**

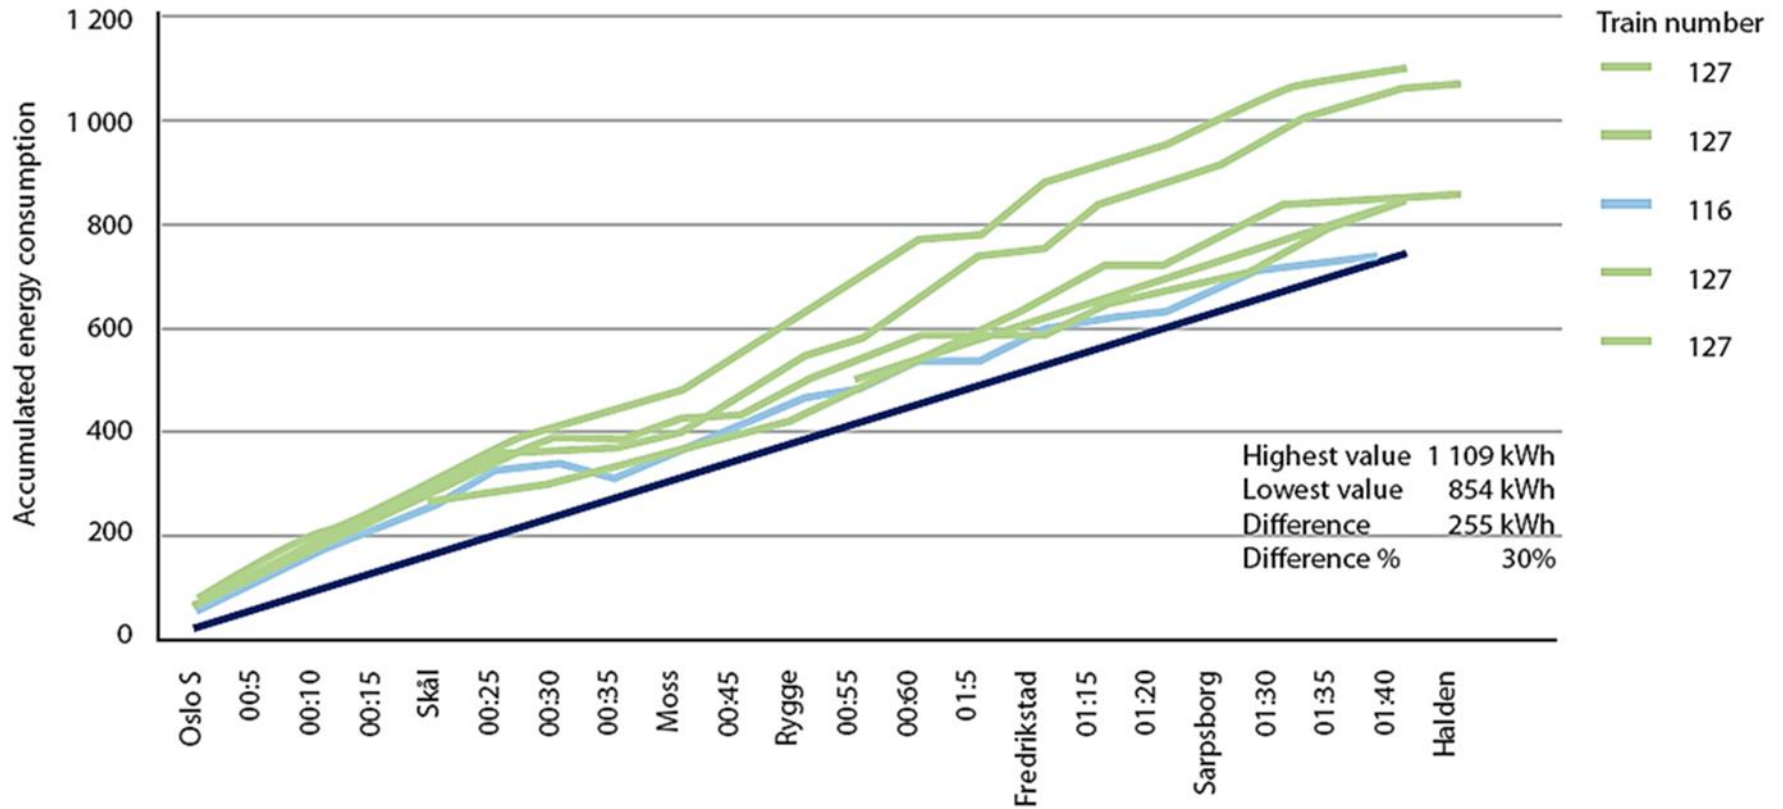

What is Eress?

- Europe's leading train energy settlement system and an open partnership for infrastructure managers in Europe
- Established 2007
- Working for a common railway energy standard in Europe
- A non-profit organization jointly owned by its partners
- 9 Current partners (Banedanmark, Infrabel, Bane NOR, Trafikverket, VÄYLÄ, SBB AG, Vivens, Adif, CFL)
- Partners own and decide on development of Erex
- Using the jointly owned IT-system Erex to exchange and settle energy across borders

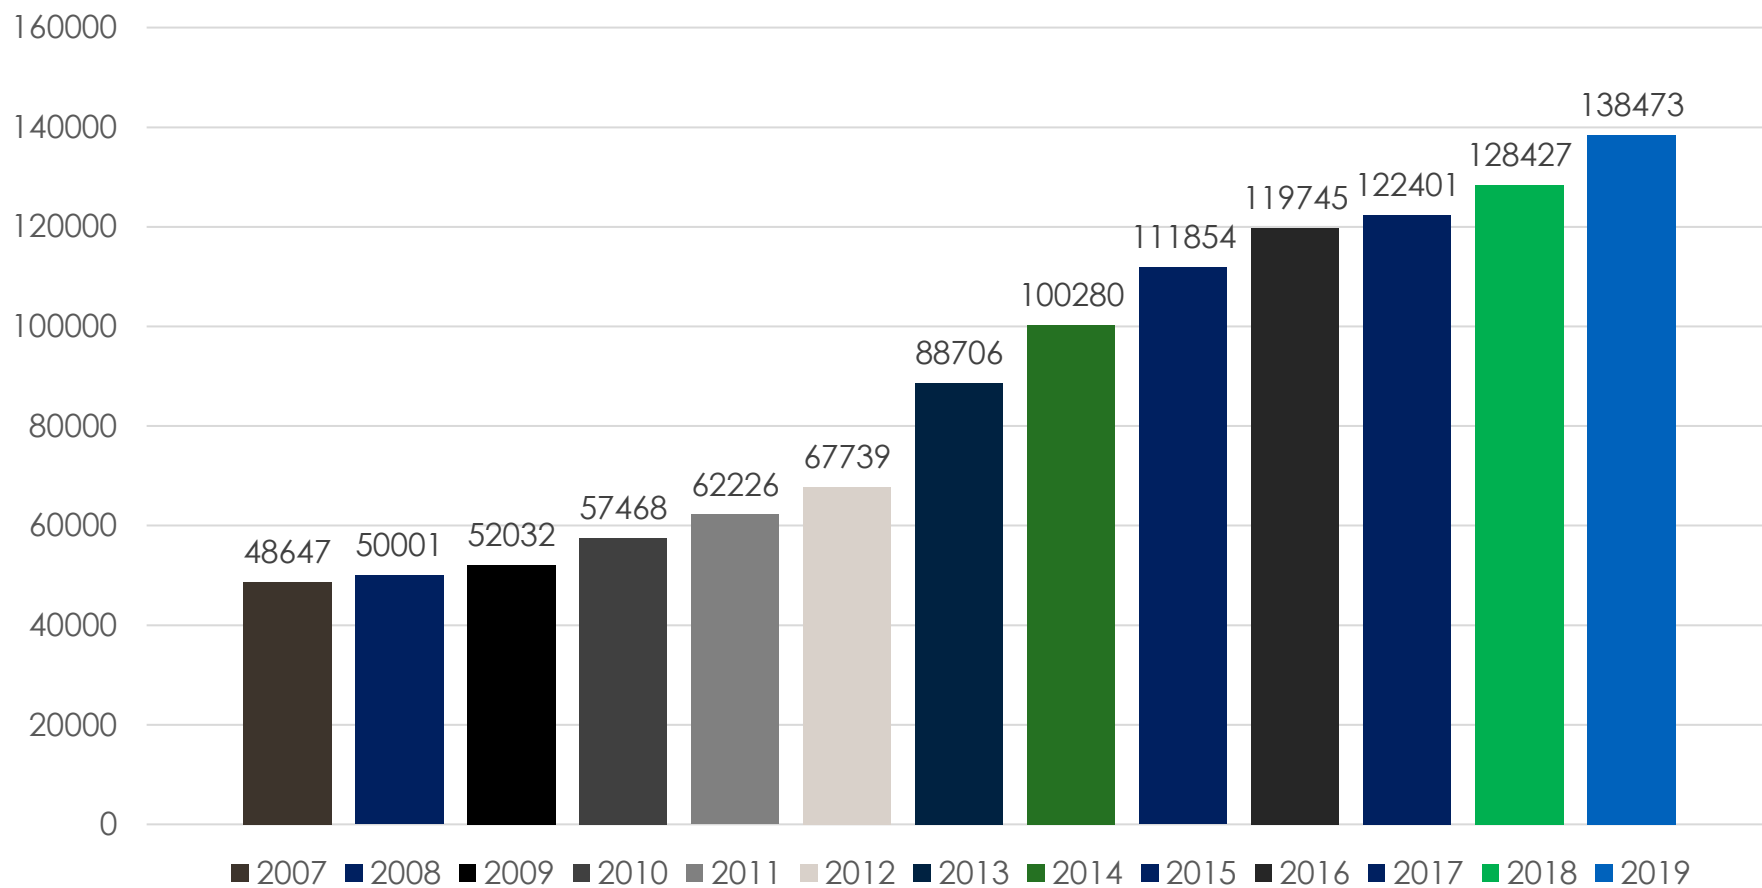

Erex Settlement

Train 73-04 from Oslo to Halden, May 2006. Journey time 1h 45m, distance 136.6 km

Norway: Regenerated energy 2007-2019

*“You can't manage what
you don't measure”*
